

Dear Parents,

This summer, Camp Tanase is partnering with CampDoc to better serve our participants and staff. CampDoc offers an electronic health record and online registration system for camps, and you can now complete your participant's information electronically.

The security and privacy of your participant's health information is important to us. The CampDoc site is secure, encrypted, and password protected. You can find additional information about CampDoc privacy and security information at www.docnetwork.org/security.

Our organization has a special link where only participants from our organization can register!

Our link is: app.campdoc.com/register/camptanase

New Participants

To create a new account

- Click the **SIGN UP** button.
- In the **Email** box, type your *email address* in order to confirm.
- In the **Password** box, type the password that you want to use.
- Click the **CONTINUE** button.
- Follow the instructions, to create your profile and complete the Health Profile for your participant.

You will then need to select your desired session(s), add-on(s), and make payment information.

Required questions will be marked with an * and outlined in red. Upload any required documents to your CampDoc account. If you're on a phone/tablet, you can take a picture to upload the document.

Keep in mind that you can return to app.campdoc.com at any time to make updates to your participant's health information or make additional payments before your program begins. You can log in using the email address and password you previously created.

We're excited to let you know that your participant's health information will save from year-to-year, so once you complete it in CampDoc this season, you won't have to start from scratch next year.

CampDoc sends out periodic reminder emails for outstanding balances and incomplete health profile information. These notifications come from campdoc.com, so please add this to your safe sender list to avoid accidental delivery to junk and spam folders. We don't want you to miss important notices about Camp Star!

Please note that CampDoc supports the current and previous major releases of Chrome, Firefox, Microsoft Edge, and Safari which provide improved security and performance for health information.

You can navigate to support.campdoc.com at any time for assistance in navigating your CampDoc account. We are excited to continually improve, building safer, more productive and more efficient systems to create the best experience for you and your family!

We can't wait to see you this summer,

Heather Spiva
Camp Tanase Marketing Director
