**Reservations**  
 Reservations for camping may be made on line or by calling the park. The entire cost of the stay plus taxes and a reservation fee must be paid at the time of the reservation. In the event of cancellation, the reservation fee is non-refundable. Reservations for campsites and picnic pavilions may be made up to one year prior to check-in, and as little as one day in advance of arrival.

**Firewood**  
 To help protect our trees from invasive pests, all campfires must be made with certified heat-treated wood or downed wood collected inside the park. Most parks sell firewood or it may be purchased from nearby local vendors.

**Pets**  
 All campgrounds are pet-friendly. However, pets must be on a leash and under control at all times. For the safety of your pet, and the safety of park wildlife, pets may not be left unattended.

### **BIG HILL POND**

- 28 pop-up and tent campsites
- No hookups or dump station
- Bath house/hot showers
- Firewood sold onsite
