

# BANQUET & EVENT GUIDE

## MONTGOMERY BELL STATE PARK

### CATERING PROCEDURES AND INFORMATION

#### MENUS

Catering menus, room arrangements, and other details pertinent to your event should be submitted to your catering manager at least four weeks prior to your function date. Due to ordering procedures, any menus received less than seven days prior to the function are subject to change, at the discretion of the kitchen staff.

The enclosed menus are only suggestions and are not limited to these items. Creativity is our specialty! We will be pleased to custom design menus to best suit your needs. Due to current market fluctuations, all prices are subject to change.

#### GUARANTEES AND MEETING SPACE

In arranging for private functions, final guarantees for menu and alcohol must be given to Montgomery Bell seven days prior to the function. Alcohol and certain specialty items cannot be cancelled after this date; other menu items may be reduced or changed based on availability no later than one week prior to the event. Guarantees must be received by noon on the date due; otherwise, the expected number becomes the guarantee.

The number of people you anticipate assigns banquet and meeting rooms. If the attendance increases or decreases, Montgomery Bell reserves the right to change groups, without notification, to a room suitable for the expected attendance or guarantees. The customer agrees to begin the function promptly at the scheduled time and agrees to have all guests, invitees, and other persons vacate the designated function area at the agreed upon closing time.

Please be aware, if your signed contract is not returned to the park within the specified time and date, the park reserves the right to accept another event on that date.

#### FINANCIAL ARRANGEMENTS

A 10 percent deposit is required for all functions and is due 30 days in advance of your function, unless other arrangements have been made by your sales representative.

In some instances, direct billing can be approved through our General Manager. All direct billing requests must be in our office 15 days prior to the event for processing and approval.

#### SERVICE CHARGE AND TAX

Normal staffing guidelines will be used for your event. In the case of special requests, additional carvers, attendants, servers or other personnel, a nominal fee may be charged.

A 21 percent service charge will be added to all functions that include food and beverages. Sales tax of 9.75 percent will be added to the total of the bill. Prices do not include tax or service charges.

#### FOOD SERVICE

Montgomery Bell is responsible for the quality and freshness of food served to its guests. Due to current health regulations, food may not be brought into the conference and meeting facilities and food may not be taken off the premises after it has been prepared and served.

#### SERVICES AND LIABILITY

Our sales representatives will be happy to coordinate services such as audio-visual, banquet, conference and meeting set-ups. All meal prices include house linens. There is an additional charge for all requested linen changes after initial setup of room. There may be additional charges for specialty items not supplied by the park.

All decorations, displays and exhibits brought to the lodge must be approved prior to arrival. They must conform to state code, fire regulations and Tennessee State Park Policy. In order to prevent damage to fixtures and furnishings, items cannot be attached to walls, ceilings and fixtures with nails, staples or any other substance. Delivery and storage of materials must not be received more than the day prior to the group's function.

Montgomery Bell will not assume responsibility for damage to or loss of items left in the conference and meeting rooms. Liability for damages will be charged accordingly.
